STATEMENT OF SUBSTANCE OF NTERVIEW

Sir:

Applicants have received and agree with the interview summary prepared by
Examiner Robert Stevens mailed on 15 December 2005.

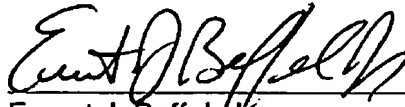

On November 22, 2005, a telephonic interview was held. We presented a
technology tutorial covering the disclosure of this application and the Probst reference,
along lines similar to the descriptions in the Appeal Brief now on file. We discussed
claims 1 and 16 in the context of figures from this disclosure and Probst. We asked
whether the Examiners would have time to review the case and indicate what they
might consider to be allowable subject matter, if any. It seemed that the Examiners
would do so, but it has not happened.
